## The New Outdoor Living Area - VILLA 20

Album created at 19:19:26 on 4/05/2012 UTC · 

We have recently renovated Villa 20 at Devils Fork and added a new outdoor living area. This is the only villa that currently has this amenity.

**Jana Goodwin Gambrell** Love this!!!

**Larry Fulmer Jr** Nice. Camping areas at the parks need a Central Outdoor living area like that to talk with other campers. That would be very nice.
