Hey,

In an effort to answer Brandon's questions, would you mind sending me the contact information for the events/meetings that have been scheduled for this week? I need to include this information on the calendar.

Thank you!

Lily

Lily,

Will you attach the forms with the POC for the events this week to the calendar when you get a chance tomorrow morning, please. If they are already attached let me know also so we can figure out why its not showing up on the calendar. I would like to make contact with the POCs for Tuesday's events in Spartanburg tomorrow morning and then meet with them tomorrow afternoon if they are available. We will not need a POC for the lunch at Rioz in Myrtle Beach on Thursday. Also if you will provide the POCs for the events in Sumter on August 3rd that will be great so we can get a head start on advancing those locations also.

Thanks,

Brandon
