(27) Filed Dec 30 1923 (28) D. E. Martin Local Registrar

*When there was no attending physician or midwife, then the father, householder, etc., should make this return. If a child breathes even once, it must not be reported as stillborn. No report is desired of stillbirths before the fifth month of pregnancy.

When a child is born, the mother or father, or some other person, must report the birth to the local registrar within a reasonable time. If the child is born in a hospital or other institution, the institution must report the birth to the local registrar within a reasonable time. If the child is born at home, the mother or father must report the birth to the local registrar within a reasonable time. If the child is born in a hospital or other institution, the institution must report the birth to the local registrar within a reasonable time. If the child is born at home, the mother or father must report the birth to the local registrar within a reasonable time.
