Subject: Deadline ASAP: BuzzFeed information request for death count in SC flooding

Hi Ms. Adams,

I'm Leticia Miranda, a reporter with BuzzFeed News. I'm looking to check in about the total number of deaths that have been a result of the flooding in South Carolina.

Were there any news deaths announced today? And will the Governor's office be releasing a statement related to the deaths?

Please feel free to call me anytime as well at (646) 565-4876.

Thank you,
Leticia
