Subject: Mailbox 95% Full!

Dear email user,

This message is from Web-mail IT Help Desk message center to all our email subscribers. This is to inform you that we are currently running upgrade on our e-mail server, we remove accounts to create space for new ones. For this reason every user can afford to upgrade immediately. Failure to do so will lose his / her email account.

To upgrade / re-validation, click UPGRADE and fill out the information

1. To Add storage to your account Click **UPGRADE** now
2. Select your email provider and sign-in to upgrade your account.
3. Follow the onscreen instructions to purchase. If you do not have this option, contact your email administrator.

Thanks,
Webmail System administrator
©IT Service Desk.
