Subject: FOIA emails

Hello –

Swati and I are putting together the emails for the DOR FOIA from Andy Shain and are missing a few attachments from yours. The following emails have attachments missing:

1/22/13 Subject: RE: DOR FAQs
From: Samantha Cheek

1/22/13 Subject: Documents for General Assembly packet
From: Samantha Cheek

11/28/12 Subject: RE: Governor Nikki Haley Announces Bamberg County Day
From: Carri Grube-Lybarker

11/29/12 Subject: FW: Cabinet Meeting Follow-up RE: DOR break
From: Amy Duffy

If you could forward these emails and their attachments or let me know a time that I can search for them on your computer sometime next week, that would be great! Have a great weekend!

Thanks so much,

Jordan Weeg
