REVENUE BOND ANTICIPATION NOTES - Board Secretary William A. McInnis explained to the members that a resolution had been proposed for adoption by the Board which would approve the issuance and sale of \$775,000 of State College Board of Trustees Parking Facilities Revenue Bond Anticipation Notes, Series 1983, of the College of Charleston, in anticipation of the issuance of bonds and approving the use of various funds for the payment of \$300,000 of the principal amount now due on the \$1,075,000 bond anticipation note now outstanding.

Mr. Patterson indicated that he had urged the College of Charleston to pay down as much as possible on the note now outstanding and that \$100,000 of excess Facilities Improvement Bond debt service funds and \$200,000 of excess Student and Faculty Housing Revenue Bond debt service funds had been identified as being available for that purpose. Mr. Patterson then indicated that the \$775,000 remainder is proposed to be rolled over a year.
