Governor Haley,

Please get behind the State Marriage Defense Act to help put and end to Government of the courts, by the courts, and for the courts.

It is amazing to me that the Supreme Court will not speak on this issue. Surely any knowledgable person knows that marriage has always been and should always be between a man and a woman. If gay and lesbian people want to be in a union with each other, that is their business and their peril, but marriage is only between a man and a woman. Harvey Keiser
