**OFFICE OF THE DIRECTOR**

Dear Mr. Keck,

Hampton Regional Medical Center has completed the requirements for Year 2 Attestation with SCDHHS. The required information to validate the attestation was submitted on October 23, 2013.

Hampton Regional Medical Center requested that payment for Year 2 in the amount of \$311,239 be made prior to December 31, 2013. As I am sure you are aware the implementation of these systems has required very significant capital expenditures, which has been a tremendous challenge for our small hospital. We greatly appreciate the department's cooperation and assistance in helping us replenish our cash on hand balances prior to year end.

Our goal for our EHR system was to have a completely integrated system that extends from the hospital into our hospital based provider practices, which includes both our Primary Care and Specialty Care offices. We are happy to inform you that we are well on tract to accomplish our goal which is provide an integrated patient medical record that is available to all our physicians and clinical staff within our small system.

Again, please accept our thanks for granting our request.

Best Regards,

Dave Hamill  
CEO
