South Carolina State Parks

at 20:54:19 on 1/07/2013 UTC · 🌐

Huntington Beach State Park had 40 participants in their First Day Hike on Jan. 1. Check out all of these smiling faces! You don't have to wait until next January to hike at a SC State Park. We're here and open 365 days/year!

South Carolina State Parks Thank you Jerry Shull Jr.! We love it. If you have any photos that you'd like to share, please post them on our facebook page!
