Gov, Haley I read your article in the paper  
the other day, saying Donald Trump won't  
fit to be President, Here is the only Person  
to fill the Job, First he is Married  
with family, and I might say Honorable, Smart.  
Now how many men in this County can match  
that, He will and Can bring this County  
back to where it should be. Now Imagine  
a President Bill Clinton in office, Now Everybody  
in the world knows him and what he did. I  
He had Sex with young Secretary, on the  
deck in the Oval Office, when he fit to be  
President he should wait with me and all America  
they already know, I saw on TV when Barbara  
Walter asks Hillary if she knew if this her answer  
was Yes, She did Nothing about that and she  
would do nothing if President, You can do anything  
you want to in the County, if you don't get  
caught, then What, then I be Nice and Pay the  
Pun, I'm a nice person, I fought in two Wars  
and we Won both of them, If you going to fight  
fight with Actors not words, look what Truman  
did in less than a year, One little Boy stopped  
the war that was the Bomb Name, Fat Man in the  
other one, I don't fill hard with you I think  
but I never voted for you, and I will never Vote  
for a Woman, Please believe me some day will prove  
God, you want him to tell him hell he  
already now.

Thanks you for hearing me  
that is just a little of what I know  
and Please,
