**Subject:** RE: India Briefing Questions

---

Boarding passes can be printed upon arrival at the airport during the check in process. Katherine should have copies of their tickets and ticket numbers are included on the itinerary in case of any issues.

I apologize for the major gaps – we are updating to the best of our ability at this time.

Please let me know when you know about the Monday 9:00 – 2:00 meetings, as we're trying to get George's schedule updated for him today as well.

Thanks!  
Morgan

**Subject:** India Briefing Questions  
**Importance:** High

A few observations below. Look forward to final briefing soon.

1. Pronunciations need to be added on major events, universities, or key people she is meeting with. Will you please include that.
2. Please include how the Governor should address key principals or figures she is meeting with.
3. There are still major gaps about where Mr. Haley's reserved seating is at several events. Please update.
4. Boarding passes will be given to the Governor, Mr. Haley, and staff when they check their baggage at the airport, correct? I just wanted to make sure detail and staffers were aware.

KV- I will check in with you in about an hour.
