Hello Lt. Governor,

Thanks for the email and I will notify the deputies to be conscious about that area when patrolling that zone. We do not have any dedicated traffic officers yet, although that is something we want to pursue after we finish building the rank and file.

I will also reach out to SCHP to ask for some assistance concerning this.

I hope you are enjoying your new role and let us know what we can do to assist you in any way.

Respectfully,

Chad McBride
