Join us for a twilight hike along Rose Hill's half-mile nature trail and see what nightlife was like in the 1800s. Gaze at the sky as you learn about the constellations and how enslaved individuals used the stars to navigate their way to freedom. Weather permitting, please join the Midlands Astronomy Club as they let visitors use telescopes to view planets and stars \$10/adult, free for children 5 & under. To save your space call 864-427-5966 or email RoseHill@scprt.com. More info: <https://southcarolinaparks.com/products/10004788>
