# Gravis Marketing

## Nikki Haley Targeted Voter Lists

Accurate Voter Lists Data is now believed to be the new currency in the political world. Why – Because every political campaign knows that bad voter lists can cost elections and devastate marketing budgets.

What kind of voter lists do you need?

- Valid Email Addresses [Click Here For A Quote](#)
- Registered Voter lists, including party affiliation and voter history.
- Voter files from all states – 24-hour turnaround.
- Voter lists with detailed demographics, including race, ethnicity, religion and income
