

Confederate lives matter!

Stonewall Jackson and Staff

He was an obscure instructor at a Southern military college when the War Between the States began. Within months, however, he was famous in the South and feared in the North as "Stonewall" Jackson. Robert E. Lee's famous "right arm." Few military leaders in history matched his success and no other Confederate commander could replace him when he fell.

You helped take down
my flag how dare you,
You helped take down
my flag for greed, you
demonize my flag
whenever you like or
just when it fits your
need. You say my flag
is about hate but its

couples butts you kiss
no one doing the hating
address the black crime
epidemic ~~Künster~~ the southern
