Subject: Power outage Thursday evening

Just as a reminder, the electrical power will be turned off in the State House and the Wade Hampton building on Thursday, October 3, from 7 PM until approximately 3 AM.

During the power outage, the OEPP network will be unaffected. BlackBerry phones will work as normal, and e-mail will be accessible from other locations using the Outlook client on a laptop, or the web client.

Please remember to turn off all computers and printers prior to leaving the office on Thursday, October 3. This will prevent power surges from adversely affecting your computers and printers.
