Swati,

Just off phone with Beaufort County attorney; County Council will vote Monday night to send FEMA its full required package less the health declaration that I know would entail some level of headache for your team. Based on my last note received from Moore with FEMA there is some level of belief within Beaufort circles that they can get the private road cleanup. If that doesn't happen, Beaufort County and our office I'm sure will be back asking for full health declaration that was outlined in the letter I forwarded to forty minutes ago.

Always I send good wishes and admiration...

Mark

Richard, Jason

Please see the attached letter to FCO Moore asking for him to grant a waiver for reimbursement for debris clearance on private roads and within gated communities. We'll follow up with a hard copy to FCO Moore as well.
