Thank you for the pictures, that was such a treat for us. If you have any room during the UT game my aunt and uncle will be in town and we'd love to hang out with you all. Also do you know the name of the breast cancer surgeon that was in the box from FL? One of them was Alan Levine, he knows a friend of ours in FI with the same name as his. We were going to get in touch with them when we go for the FI game and told them we'd host them at the caboose next time. I can always do that if you need me to, we shot an ESPN spot last year that day.
