Subject: Proviso Follow-up - McCormick Satellite Clinic

John,

I've been wading back through some of the provisos tonight and had a quick question about the following one. DMH didn't file a request to take any action on this one in FY 2014-15, and we're fine with that if you're still drawing against any of the sources identified below.

In the interest of good housekeeping, though, do you know if any of this money is left, or is this potentially a candidate for deletion? Thanks.

35.8. (DMH: McCormick Satellite Clinic) The \$750,000 appropriated by Proviso 73.17 of Act 397 of 2006 for the Williams Building Cooperative Ministries Homeless Shelter Renovation & Operation shall be redirected as follows: \$250,000 shall be used for a satellite community mental health clinic in McCormick County. Unexpended funds may be carried forward into the current fiscal year to be expended for the same purpose. The City of Columbia must provide documentation annually on expenditures related to the \$500,000 transferred to the city by Proviso 10.16 of Act 117 of 2007 to benefit other homeless programs until all funds are expended.
