**South Carolina State Parks**

Check out a recent note we got from a visitor who stayed with us at Calhoun Falls State Park: Thank you for the job you are doing. On April 27, my 6-year-old daughter and I arrived at Calhoun Falls State Park for her first weekend of tent camping. While we have stayed at numerous campgrounds throughout the nation in a travel trailer, never have I seen a facility as well-maintained, appropriately staffed and generally pleasant as Calhoun Falls State Park. I was particularly impressed by the helpfulness, cordialness and professionalism exhibited by staff inside the camp office throughout the weekend. A male employee with a badge, whose name I did not record, seemed eager and enthusiastic to loan us fishing poles and tackle our first night, which led to my daughter catching her first fish the following afternoon. I am thankful to have had this experience at one of our state parks. We will definitely be visiting again.

**Cathy Robbins** The SC State Park system is the best in the US and if there are state park systems in other countries, then SCSP is the best in the world! And I am NOT from SC- but I wish I were!!!
