Subject: Rural District meeting on THursday, Ocotber 6th

Hello all,

Dillon School District just called to tell me that they received a call from their emergency preparedness office to tell them they had to close schools on Thursday and Friday due to Hurricane Matthew. They said they would not be able to attend the rural district meeting.

I am guessing that other districts in Mathew's path or along evacuation routes may be told the same thing. Have you all heard anything about this? We may need to reschedule the rural district meeting this Thursday.
