

Dear Governor Haley,
I wanted to personally thank you for signing into law the Pain-Capable Unborn Child Protection Act. Thank you for caring about these precious unborn babies. I have a 21 month old beautiful granddaughter with mild cerebral palsy - which the doctors recommended for abortion. She is a beautiful healthy little girl who brings extreme joy to our lives. Thank you for standing up for her rights when she could not speak for herself! God bless you!
Jaye Hull Lowcountry Pregnancy Center

May God
bless you!

Faye S. Hill
President, CEO
