Geff,

I just checked on our end and newsroom@nnsnews.com is on our list, the address isn't blocked, and that the emails are not bouncing. In that context, there is nothing else we can do on our end to get emails to deliver to that account.

I know that y'all are busy, but please have someone on your end check to make sure emails from sc gov news' account are cleared to be delivered.

I have also added your personal email to our press list.

Thanks for reaching out.

Chaney
