Subject: RE: Senate Version of the Budget E04

Kara,

We prefer the Senate version over the House. The Senate version is representative of our budget request. The only change from our request is an additional \$1500 for the Silver Haired Legislature. The Senate increased that line from \$13,500 to \$15,000. I was not aware of the Senate's intent until Senate Finance included it in their budget.

There are no differences in Proviso's.

If you have any other questions, please let me know.

Thanks.

Tony Kester

Subject: Senate Version of the Budget

All,

Please let me know by 5:00 today your opinions on the Senate version of your respective agency's budget if it differs from the House version. Please provide the same for provisos as well. Also, if there were items funded on the Senate side that were not requested by your agency on the House side, please indicate those as well and an explanation as to why the request was not made on the House side.

Thanks,
Kara
