When trying to make a reservation on the new site.....when I click on the check in date and then the check out date it enters the same date for both and will not go to the next step.

I'm not sure what the issue might be. Please contact our in house call center at 1-866-345-7275, M-F from 9am to 5pm and see if they might be able to assist you.

Were there any instructions for this new park rental site? Confusing to me.....I do not like change. I may never be able to book again. Hahaha! Thanks!

I'm so sorry. Were you able to call our call center for assistance? You can always book online, by calling the park of your choice, or by calling our call center.

I believe that the old site was much better. My husband called today and they could not help him.
