Thanks Phleisha! I'll see where I can get them plugged in to help.

Dana,

Cherish Vogler with Anheuser Busch reached out to Governor Haley's office regarding Anheuser Busch's desire to donate products to SC areas impacted by the recent flood. Please see her email below. We thought it would best to connect the two of you. If SC Flood Relief Fund is not the best for this, please let me know.

I wasn't sure how to go about this, but I work for Anheuser Busch specifically covering Hilton Head, Bluffton and Beaufort and live in SC. My entire region and Anheuser Busch want to help the victims and my awesome state of SC. What can we do to help? We wanted to have a big impact of helping. We wanted to be able to donate what is needed products wise and send it in to the worst areas. We are under the impression that Columbia needs stuff the most. Can you let us know so we can collectively as a global company and specifically our southern region can help out South Carolina? Thank you!! Cherish Vogler
