DEC 11 2006

Dear Mr. Kerr:  
Department of Health & Human Services  
OFFICE OF THE DIRECTOR

On November 14, 2006, the Healthcare Quality Association on Accreditation was awarded "Deemed Status" by CMS. This deemed status award is the result of the Medicare Modernization Act requiring CMS to identify several agencies to accredit all Durable Medical Equipment Companies by meeting measurable quality standards.

HQAA respectfully requests recognition by South Carolina's Medical Assistance program as an approved DME accrediting organization. A written response by 1/1/2006 to our request would be appreciated.

We look forward to your response and an opportunity to work with you to improve the care and quality of life for South Carolina's beneficiaries.

Sincerely,

*Mary Nicholas*

Dear Ms. Nicholas,

The Centers for Medicare & Medicaid Services (CMS) technical review team has completed reviewing your application for deemed status for Durable Medical Equipment Prosthetics Orthotics Supplies (DMEPOS) suppliers seeking to participate in the Medicare Part B program. The purpose of this review was to ensure that your accreditation standards for DMEPOS meet or exceed CMS' DMEPOS accreditation standards. CMS is pleased to report that your standards meet CMS DMEPOS standards, and therefore has approved you for national deeming authority.

Until such time that CMS issues this information publicly, we ask that you do not publicly make any announcement. We anticipate making a Press Release shortly.

At this time we would like to inform you that we will be convening all of the deemed DMEPOS organizations on December 18, 2006 for a one day conference to review all of your responsibilities. The meeting logistics are attached.

If you have any questions regarding this letter, please do not hesitate to contact Sandra Bastinelli at (410) 786-3630, or E-mail [Sandra.bastinelli@cms.hhs.gov](mailto:Sandra.bastinelli@cms.hhs.gov).

Sincerely,

Dear Ms. Nicholas:

Thank you for your letter of December 5, 2006, to Director Robert Kerr requesting recognition by the South Carolina Department of Health and Human Services (DHHS) of your organization as an approved DME accrediting organization. DHHS acts as the single state agency for the South Carolina Medicaid program and as such does not award deemed status to accrediting organizations; however, we will recognize all Centers for Medicare and Medicaid (CMS) deemed accrediting organizations.

I hope this information is helpful to you. Should you like to discuss this matter further, please feel free to contact me.

Sincerely,

  
James M. Assey, R/Ph.
