Dear Senator Nikki R. Haley,

My name is Teia Boyce. I am writing to you regarding my husband's adjustment status I-485, for his green card. We have been married for 7 years and each time we go to the immigration office to check on his green card status, they are telling us that it is pending. It's been pending for 7 years that his case has been pending! His employment authorization is always been approved with no problem but we are just having trouble with his green card status. We applied for his green card with the name of JAMAL A. ATIEH, which was changed about a year ago to JAMAL A. MAKHTOUB ATIEH.

If you can look into his pending case, we would greatly appreciate it due to the fact that his father who is 85 years old and is really sick. We would all like to travel and go visit him before anything terrible happens to him.

Also I would like to include the fact that I have an amazing, wonderful husband that provides and takes care of me and my son, Jace, who is very attached to Jamal. He is a great noble man of character, that works hard and pays his taxes as an American Citizen. I would greatly appreciate it if we can speed up the process of our situation and travel as a family to see his dad. If you need to contact me please call me at 1-864-567-6809 and my address is 2950 Concord Road, Anderson, S.C. 29621. Thank you very much for your time.

Respectfully,

Teia Boyce
