Hey Tony,

I hope everything is going well with you and the team in South Carolina. As you may be aware, Lori and I along with several other ACL Staff are working limited hours during the shutdown.

If you have 15-30 minutes tomorrow, Lori will be working and available to chat regarding the No Cost Extension.

Unfortunately, she is only allowed to be working from 9:30-11:30am tomorrow. If you are free during this time for a quick phone call please let me know and I can get a call-in number set up. Otherwise, I can connect with you at a later time to fill you in on what I know.

Sincerely,

Kevin Foley
