Below is a scheduling request from Senator Lourie and Rep. Bernstein.

I think this would be a special event for her to attend if possible. *FYI – The Monday before she will be participating in Caroligthing on Nov 30. Happy Holidays!*

Hi Katherine –

Every year we have a Hanukah Menorah lighting ceremony at the State House. The ceremony is dedicated to the memory of my late father, Senator Isadore Lourie. Representative Bernstein and I would like to extend an invitation to Governor Haley to be the guest speaker. In years past, we have been honored to have Senator Graham, Congressman Joe Wilson any many other prestigious guests. The Governor has demonstrated great strength and leadership during the darkest of times in our state and we would be honored to have her as our featured guest speaker. Also, fyi, we are hoping that Kassy Alia, the widow of the recently killed officer, Greg Alia, will join us as well.

The program will be on **Monday, December 7th and start at 5:45. It will last no more than 45 minutes.** Remarks of 8-10 minutes by the Governor would be wonderful.

Please let me know at your earliest convenience.

Thanks

Joel

thanks Margaret here are the details of the Chanukah program

Dear Senator,

The plan for this year's Isadore E. Lourie Menorah lighting at the State House is for it to take place on Monday December 7th at 5:45 pm.

It would be a great honor to have Governor Nikki Haley attend as our guest of honor as we celebrate the unified spirit of Columbia and the triumph of hope over disaster and of the bright light of community support over the dark flood waters of despair.

Sincerely,

Rabbi Hesh Epstein
