Subject: This Sample Bill Report Will Save You Hours of Work

Hi Katherine,

Before switching to StateTrack, our clients spent over an hour every day wading through hundreds of irrelevant bills on state.gov websites in search of the ones that mattered.

Let StateTrack save you hours of work in the next 20 minutes.

Give us your issue keywords, and we'll send you a custom report that gives you the number, sponsor, title, abstract and status of all the state bills relevant to your issue in the time it takes to say "**Order a Sample Bill Report Now.**"

In just minutes, we'll pull in bills from all 50 states – or just the states you care about.

Your report can be accessed online by a unique link (so you can share it immediately with colleagues, the boss, or your stakeholders).

Then you can sit back and relax, because reports that come with your StateTrack subscription will update whenever new information becomes available.

This offer is only available for a limited time (request by December 1, 2015).

Sincerely,

Glen Justice
Vice President, CQ State
