MLTSS -- The Last Frontier for Managed Care

Register Now

Wed., April 26th at 3PM ET / Noon PT
Presenter: Pat Casanova, Health Management Associates

Register now for an hour of key insights on how the trend toward Managed Care of MLTSS will affect your state. This fast-paced webinar will survey the current landscape across the states, the regulatory environment, new concepts of complexity, and opportunities and challenges for insurers and their partners.

- **Analyze the burgeoning impact of MLTSS across the states**
- **Understand how new managed care regulations impact MLTSS**
- **Survey the complexities of Medicaid's most fragile populations**

Join Pat Casanova, Principal, Health Management Associates and former director of the \$8.2 billion Indiana Office of Medicaid Policy and Planning, as she draws from her more than 20 years of experience that span the array of state programs. You'll have the opportunity to ask questions and explore one of the most pressing issues in Human Services today.
