Emory,

I have spoken with Ms. Adams, in light of Gene Matthews now representing Ms. Adams both in her official capacity and in her individual capacity. Ms. Adams is not in a position to decide the question of the Attorney General's Office's involvement until Gene returns to South Carolina from military duty on March 9.

Will you be able to let me know on this today? Thanks.

As you know, IRF has assigned this case to Gene Matthews for representation of Ms. Adams in her official and individual capacities. My understanding from previous emails from you is that she has no objection to the AG's Office representing her in her Official capacity (Not individual). Please confirm as soon as possible that ok for AG to continue representing Ms. Adams in her official capacity along w/ Mr. Matthews. Thanks.
