Subject: Thank you for fixing the infrastructure bank!

Dear Nikki Haley (R),

Thank you for your leadership in getting a compromise to the roads bill.

Reforming the infrastructure bank was definitely needed so that our resources will be spent more wisely. Folding it into the DOT will eliminate the parochialism & allow our resources to be put to better use.

The amendment to give DOT veto power over the STIB selection process is an important step forward. Please continue to support STIB reform and keep the infrastructure bank accountable to the statewide planning process and the people of South Carolina.

Thank you!
