To Whom it May Concern:

My name is Jeri, and I am a 5<sup>th</sup> grade student at Curwensville Elementary School in Pennsylvania. We are studying states in school and I have chosen to research South Carolina. After I collect my information, I will create a brochure.

I am writing to request information about your state. I would be very interested in finding out about the history, tourist attractions, and interesting facts about the beautiful beaches. If you could please send me material about the sights on Myrtle Beach, I would greatly appreciate it.

Please Send this Material to the address below
