[scstateparks](#) Check out this amazing shot that Ranger Todd captured last night at Hamilton Branch State Park of the "Christmas Star." 🌌 - For those who may have missed it, yesterday Jupiter and Saturn aligned closer than they have been in about 800 years! During this conjunction, many like Ranger Todd, were able to capture this very rare occurrence! Comment a ✨ if you think this is super cool! 📸

at 18:49:40 on 12/22/2020 UTC

**judycarter906** @judycarter906 I didn't see the star. A bright planet, yes  
at 18:50:30 on 12/22/2020 UTC

 **scstateparks** @judycarter906 that's correct! what you're seeing pictured is Saturn and Jupiter.
