Good afternoon Mrs Katherine thank you for calling me this morning earlier today again as I was saying my inquiry is concerning the seat or a seat on the South Carolina board funeral service my information has been submitted through South Carolina morticians Association . I was instructed to contact the governors office board of commissions specifically miss Philpott however after several weeks of trying to reach her on both by office phone cell phone and email I have not gotten any kind of response from her and I'm trying to find out what the status is concerning myself being placed on the board for district for the South Carolina morticians association. I would greatly appreciate any help that you can give me in this matter and I look forward to talking with you in the future again thank you so much for your prompt response and assistance
