Good morning all~

We are changing the location to our new Region 2 Headquarters, located at 2500 Decker Blvd. Columbia, SC 29223 (just down the road from the Sheriff's Department).

We'll position one of the boxes there and there's more room for filming inside.

Parking is plenty right on site.

If you have any questions please feel free to call me on my cell at 803-600-9419.

Maria

Maria, I'm copying Bob Bouyea at SC DEW. They are graciously helping us out with the technical aspect of this. Will you please let them know about parking, etc? I told Bob that we'll be inside. Is that correct? Thanks again,

Danny

Here's the script for Monday at 12:30pm (SC DEW is confirming their availability). Thanks again for all your help

Lt. Governor Bryant

I'm Lt. Governor Kevin Bryant. Prescription drug abuse in South Carolina is growing, and deaths have increased almost twenty percent in the last three years alone.

I'm proud to announce that the Lt. Governor's Office on Aging will provide secure drug take back boxes to law enforcement across South Carolina

Sheriff Lott

Please take a moment to gather any unused prescriptions and take them to law enforcement for proper disposal, or contact the number and website below. Together, we can fight prescription drug abuse in South Carolina.

LG Bryant

Thank you for making a difference.
