## Office of the Governor

NIKKI R. HALEY  
GOVERNOR

1205 PENDLETON STREET  
COLUMBIA 29201

Dear Friends,

On behalf of the people of South Carolina, I would like to send congratulations on the dedication of the historic Charleston County Courthouse marker.

Today's ceremony celebrates the significance of this building and the Proprietary Governors who served in Charleston. South Carolina is blessed with a rich history, and this beautiful plaque helps tell the story of our colonial past and individuals who played a leading role in shaping the Palmetto State. I would like to thank everyone who has had a hand in making today's dedication possible. Your commitment to preserving our past contributes to a more complete understanding of our heritage and the many people whose struggles and sacrifices have made our state and nation great.

Michael and I wish you all the best for a wonderful event. God bless.

My very best,

A handwritten signature in blue ink that reads "Nikki".
