## South Carolina State Parks

at 12:35:00 on 10/02/2016 UTC · 🌐

Bert & Susan were inspired to visit all 47 SC State Parks on a 1st Day Hike this year, and last week, they completed the program -- and included the National Park sites too! WE are inspired by YOU! Here's their selfie from the first day of their journey -- and the last at Colonial Dorchester with Ranger Mary! Congrats! <http://bit.ly/K743X2>

**Bert Loving** We actually finished a couple of months ago. Just didn't take time to get the books certified.

What a great family adventure. Elizabeth and Butch visited a lot of them with us. 😊
