I have revised the spreadsheet by the three categories identified by NH. I'm at the CLE without wi-fi, but once I have a connection, I'll send it.

Ashton, You can take the one category from the spreadsheet - above \$10,000 - for her to hand write thank you notes. I'll send you the draft following this email.

Halti, Attached is the proposed thank you letter for donations between 1,000-10,000. Can you print and get NH's approval.

The notecards are in my cube and ready for the donations under \$1,000.
