Sounds good. I'll discuss with Josh today and follow up with you.

Thank you,  
Katherine

Why don't you email me when ready to talk about edits to the First Steps summary, then I can give you a call soon as possible. Brought it home with me, as do not want to hold things up. Am out and about today, so please call my cell 360-5045 if need to just get this done. Thanks so much.  
Sally
