---

Everyone this is one of the best read online news sources in SC . Please send any and all info or letters to publish . David send all on people rally .

Will Tom Upshaw chairman of the existing abusive chamber can respond . Gov Haley , our politicians in these districts , our local mayor Drew laughlin , lawyers and accountants . All I say is based on facts and law and do not care about others options . We must all abide by laws and what's right . No other choices .

Will bottom line my mission is the help stop and expose all abuse , violations and any corruption by all Chambers /CVBs , State government in SC and the entire USA . All read on Stopchamberabuse.com. Hilton head , Charleston and Myrtlebeach chambers and CVBs are in 100% violations of IRS 501-c6 non profit tax codes , also in violation of SC Foia refusing transparency to tax payers and members with outrageous salaries and expenses . I have filed a Foia lawsuit against the Hilton head chamber to win and force all chambers in this state to be transparent to all of us . I just won a Foia case against the Town of Hilton head trying to charge me 13 K to make copies for a Foia request and subpoena of records we won and pay zero .

Further now SC prt and sc Dnr must be stopped from selling ads and abusing all sc tax paying media . SC is out of control and needs to com back yo reality .
