Subject: FW: OIG Summary

Attachments: OIG Audit Report.pdf

---

Christian is going to be discussing the attached Audit Report Summary from HHS' IG's office with Seanna today at noon. Seanna is looking to run a story tomorrow morning on it.

As you can see, the report was conducted from March - September 2013 and is critical of the MMIS system, which the agency is now transitioning out of.

I'm confident that Christian will be effective in messaging the fact that it's an old system and an old report that isn't necessarily applicable to where the agency is right now. Please let me know if you have any questions or concerns.

Subject: OIG Summary

Please see attached. Seanna received it from the OIG's office late yesterday afternoon. I know the OIG's office has offered to set up a conversation on background with the auditor who executed the audit/report. The audit was conducted from March – Sept. 2013.

I have not received any other media calls on this as of now.

Thank you.

Colleen
