Thanks, Chaney.

Looks like I will be covering this, taking a break from my usual diet of hardened criminals and their trials.

**Subject:** Richland County Recreation Commission

Governor Haley,

Please accept this email as notification of my resignation from the Richland County Recreation Commission effective immediately. My term expires February 2017 and I advised Senator John Scott and Senator Joel Lourie several months ago that I would not serve beyond this current term.

My actions as an individual board member are a matter of public record. Under the bylaws of the Richland County Recreation Commission, a majority vote of the Commission rules. The records reflect my minority position on many issues and my efforts to do what was right for the employees and the Commission.

Should you have questions or desire additional information, please contact me as deemed appropriate.

Thank you,

Wilbert Lewis
