Danny,

Checking on what you would like to do. I think I failed to mention in my previous message that Ashley wanted to have lunch with the Lt. Gov to discuss the panel.

Good Afternoon,

I just spoke with Ashley Jordan. She wanted to discuss a program that she is running for the kids at New Foundations Group Home through Foothills Alliance, one of their projects is a garden that they use to teach about non-violent intervention. They are looking to host a panel of public officials so the kids can learn more about public officials, what they do and their positions. The panel event would be on October 21st with the time TBD.
