Dear Governor Nikki R. Haley,

My name is Ty Brown. I am a student in fourth grade at West Forest Elementary school in Tionesta, PA. My school is in Forest Country which is located in northwestern Pennsylvania on the Allegheny River. My country is very rural with no traffic lights in the entire country!

As part of the fourth social studies curriculum, I am learning the fifty states and capitals. I am also working on power point presentation of your state. It will be shown in May.

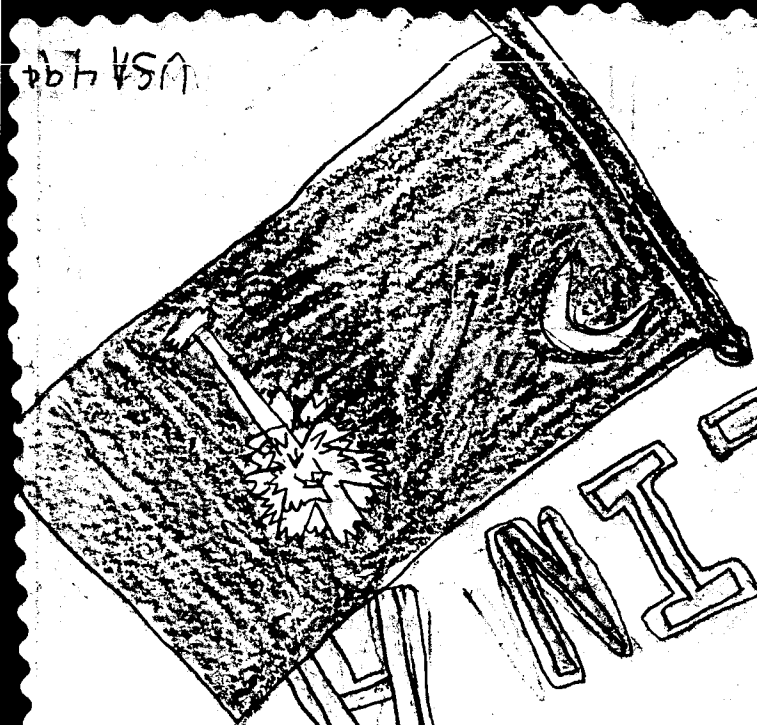

I hope that you enjoy the stamp that I created. If possible, could you please send some brochures, pamphlets, or booklets about your state that might help me with my presentation? I certainly will appreciate anything that you can share.
