We can do an Autism Awareness proclamation for whatever timeframe you want. We could do the month of April and present it during the Heritage or do that week. The information in the proc will be basically the same unless there is other information you would like included.

Katherine,

I am delivering the Liberty Day proclamation to Donna Holley in Representative Ott's office today.

School Improvement Council Month has also been approved and is ready to be emailed. Do you know if Representative Ballentine will be delivering the hard copy, or should I ask Ms. Barber for a mailing address?

Thanks.
