Subject: VIDEO: This Week at Interior September 13, 2013

Dear Friend,

Here's what happened this week at Interior: on the 12th anniversary of the 9/11 attacks, Secretary Jewell takes part in ceremonies honoring the passengers and crew of United Flight 93 in Shanksville, Pennsylvania; Secretary Jewell joins former Secretary of State Hillary Clinton and Chelsea Clinton at a White House forum to counter wildlife trafficking; the National Park Service launches a new portal aimed at using NPS sites as teaching tools. (<http://www.nps.gov/teachers>) Secretary Jewell applauds the nomination of Esther Kia'aina as Assistant Secretary for Insular Affairs, and swears in two new members of the National Indian Gaming Commission; and new images of the Secretary's visit last week to Pearl Harbor, and to the site of a Japanese American Internment camp.
